COMMITTEE NOMINATIONS

Committee nominations are sought for election at the forthcoming AGM on Wednesday 20th March 2019.

Elected member posts

Members of the committee are generally assigned a specific remit in addition to contributing to the overall strategic direction. Ideally, anyone considering putting themselves forward for election would have some experience in one or more of the following aspects:

- HR / Employment Law
- Sport and Leisure management
- Engineering (Plant – Mechanical & Engineering)
- Governance (Not for profit organisations/CASC/Charity)
- Food and Beverage
- Facilities Management
- Marketing/Communications

Term

Committee members will serve a three-year term to be eligible for re-election for one additional three-year term.

Process

- If you would like to join the committee you are simply required to:
 - Complete a nomination form with your details and those of a proposer and seconder.
 - Complete the fit and proper person form.

These forms are available at reception or downloadable from the website along with other supporting information. They should be submitted no later than 20th February and dropped off at reception for the attention of the General Manager.

Please note only members with five full years membership will be eligible for election to the Committee.

We would require nominees to provide some background information that would be circulated to members prior to the AGM. Elections shall take place at the AGM when a vote, if necessary shall be taken by ballot and the result immediately thereafter declared.

If you would like to have an informal chat in the first instance, please speak to myself.
